MEMORANDUM FOR: Chief, Communications Staff, DPD

SUBJECT: Relay of Weather Forecasts to []

25X1A

25X1A

25X1A

1. In support of [] WECEN routinely provides weather forecasts twice daily for [] and other addressees. These forecasts are received by you for OPIM relay.

2. In the event that [] is closed at the time relay of weather forecast is attempted, the forecast may be held until the next available contact despite its OPIM precedence. However, in the event a subsequent forecast is received during the period [] is closed, the earlier forecast may be destroyed and only the latter one sent.
